### Holiday Party

The GJC Christmas Party will be held on Dec. 2, 2001. Under the direction of Tucker Martes, the current beginners' class families will help organize this event.

## Going to a Tournament?

Judo tournaments are great fun for the competitors and their families. But none of these would be possible without the help of our many volunteers. Each club is asked to provide volunteers to set up mats the day before tournaments. On the day of the tournament we need help for the concession stand, kitchen, and to take down mats. If you know you will attend a Nanka tournament, **PLEASE** be sure to see Leo and let him know how you can help. Your participation makes these events a success! Thank you!!

## Lights, Camera, Action!

As you know, Wada Sensei views a video tape of each student who competes in the tournaments. He then gives each student personalized instruction to help him improve his skills. Gary Sakata has been doing the taping at the tournaments and could certainly use some help. If you could assist Gary in this valuable job, please let him know. You do not need your own camera to help out!
